

THE BRICK

"A" FRAME

APPLICATIONS

Stop using hot lamps with fragile filaments, ballasts, high working temperatures and poor energy efficiency.

The Brick is designed with discs on four sides of the light body to facilitate versatile, magnetic, mechanical mounting and connecting options specifically engineered for this light.

CERTIFICATIONS AND RATING

UL and CSA Certified Explosion Proof compliant for use in:

Class I Division 1 & 2,
Zone 1 & 2,
Groups C, D

Class II Division 1 & 2,
Zone 20, 21 & 22,
Groups E, F & G
