LA-DUCO	Dust Collector Ducting not returned completely dust free			\$100 ea	

For rental projects involving ventilation or nazardous dust, a new set of filter cartridges MAY have de purchased. Sometimes this will be mandated by the EPA overseeing that job. These remain the property of the renter and must be removed prior to returning the Dust Collector to Blast-One. When Blast-One receives the Dust Collector back, we will conduct a test for hazardous waste test. If levels are high, the customer will be required to purchase the filters and pay for disposal

THE BENEFITS OF BULK BLAST POTS

IS YOUR POT SLOWING YOU DOWN, OR SPEEDING YOU UP? Besides safety, the number one concern any professional blasting company should have concerning their blast pot is – does the pot foster or hinder productivity? Does it keep pressure? Does it meter abrasive correctly? Does it help the crew blast longer? Think of your pot [...]
